SOUL & SCIENCE HEALTH FESTIVAL

INTRODUCTION

Meet Dr. Simone Sleep—a naturopath, biomedical scientist, and expert in oral healthcare with 24 years of experience. Her vision for the Soul & Science Health Festival is to build the infrastructure for better diagnostics, including oral healthcare, chronic fatigue research (featuring an approved ozone therapy trial), and a patient-centered lab. Recognized internationally and featured on Channel 9, Dr. Sleep's pioneering work in photobiomodulation is advancing pain-free, needle-free dentistry. Join us in shaping a future of innovation, prevention, and compassionate healthcare.

This festival is about innovation, connection, and making holistic healthcare more accessible for all. We can't wait to share this journey with you!

DISCIPLES OF HEALING MINISTRY

Vision

Our vision is to create a world where healing, harmony, and compassion guide every aspect of life. We believe in empowering individuals and communities to achieve spiritual, emotional, and physical well-being through unity, education, and service.

Mission

The Disciples of Healing Ministry is dedicated to fostering a global community rooted in love, support, and personal growth. Our mission is to uplift and empower people from all walks of life, regardless of their beliefs, by providing healing solutions, education, and opportunities for transformation. We strive to make the world a more just, peaceful, and compassionate place through service, ethical business practices, and unwavering kindness.

The Disciples of Healing Ministry is a private membership based organisation that has flourished thanks to the dedication and generosity of our volunteers. Their unwavering support has been instrumental in expanding our outreach, building alternative infrastructure, and fostering a strong, self-sustaining community. Through their efforts, we continue to provide healing solutions, education, and opportunities for those in need. We are deeply grateful for their contributions in shaping a more compassionate and empowered world.

The Disciples of Healing Ministry supports various projects that contribute to a more just, compassionate, and empowered world. We invite you to join us—whether through volunteering, contributing, or spreading awareness—to be a force for positive change.

SOUL & SCIENCE HEALTH FESTIVAL

ABOUT THE EVENT

Join us for a day of inspiration and impact at the Soul & Science Health Festival 2025! Experience expert speakers, passionate stallholders, live music, fresh coffee, and healthy food while exploring health innovations and community-driven solutions.

Our key goal is to raise funds to build essential infrastructure for advanced diagnostics and health solutions, improving care in oral health, chronic fatigue research, and alternative therapies.

Last year was a huge success, and 2025 will be even bigger! Your contribution—whether by attending, sponsoring, or participating—plays a vital role in making this vision a reality. Stallholders are also invited to a networking event after the festival to connect and collaborate.

Be part of the movement—**reserve your spot today!**

EVENT HIGHLIGHT

Our intention is to raise funds for essential equipment that will support diagnostics, alternative health services for the local community, and clinical trials focused on chronic fatigue. This event helps us bring better healthcare options to those in need, expanding access to innovative treatments and research that can make a real difference in people's lives. By joining us, you're not just enjoying a great day of learning, networking, and wellness—you're directly contributing to improving community healthcare!

SILENT AUCTION

We're hosting a Silent Auction to help raise funds for vital diagnostic equipment, alternative health services for the community, and clinical trials for chronic fatigue. Bid on amazing items and experiences while supporting a great cause—every contribution helps us bring better healthcare solutions to those in need. Join in, place your bids, and make a difference!

INSPIRING SPEAKERS

A series of insightful talks and live demonstrations from leading experts in holistic health, alternative medicine, and innovative diagnostics. Attendees will gain valuable knowledge on cutting-edge wellness practices, community health solutions, and groundbreaking research, including clinical trials for chronic fatigue.
